

# Apple ID by Lori Brakken in 2021 Socially Distanced

For years, Lori Brakken, Lifetime STFS member, has donated her time traveling to fall fruit shows throughout the Puget Sound region and beyond helping growers identify their treasured mystery apples. As the Covid-19 pandemic lingers, Lori is minimizing in-person activities while maintaining ID outreach.

For apple ID, complete the **Apple ID Form** then follow the attached instructions for contacting then sending apples to Lori.
